※The final quota of admission is determined by the Ministry of Education (2 November, 2020).

A. Qualification

➤ Status Eligibility

1. An individual of foreign nationality, who has never held nationality status from the Republic of China (R.O.C.) and who does not possess an overseas Chinese student status at the time of the application, is qualified to apply for admission.
2. An individual of foreign nationality, pursuant to the following requirements and who has resided overseas continuously for no less than 6 years is also qualified to apply for admission. However, an individual who plans to apply for School of Medicine, Post-Baccalaureate Medicine or Dentistry must have resided overseas continuously for no less than 8 years.
 - (1) An individual who also is a national of the R.O.C., but does not hold nor has had a household registration in Taiwan.
 - (2) An individual who also was a national of the R.O.C. but has no R.O.C. nationality at the time of his/her application shall have an annulled status regarding one's R.O.C. nationality for no less than 8 years after an annulment of R.O.C. nationality by the Ministry of the Interior.
 - (3) Regarding individuals mentioned in the preceding 2 subparagraphs, one must not have studied in Taiwan as an overseas Chinese student nor received placement permission during the same year of the application by the University Entrance Committee for Overseas Chinese Students.
 - The 6 and 8 year calculation period as prescribed in Paragraph 2 shall be calculated from the starting date of the semester (Feb. 1st or Aug. 1st) as the designated due date for the time of study.
 - The term “overseas” as prescribed in Paragraph 2 is limited to countries or regions other than Mainland China, Hong Kong and Macau; the term “reside overseas continuously” means that an individual may stay in Taiwan for no more than a total of 120 days per calendar year. If the calculated calendar year is not one complete calendar year, their stay in Taiwan should not exceed 120 days within the calculated calendar year period. The only exceptions to this method of calculation are for those who fulfill one of the following requirements with written supported proof:
 - a. Attended overseas youth training courses organized by the Overseas Compatriot Affairs Council or technique training classes accredited by the Ministry of Education.
 - b. Attended a Mandarin Chinese language center at a university/college of which foreign student recruitment is approved by the Ministry of Education, and to which the total length of stay is less than 2 years.
 - c. Exchange students, whose length of total exchange is less than 2 years.
 - d. An Internship in Taiwan which has been approved by an authorized central government agency, to which the total length of stay is less than 2 years.
3. According to the Education Cooperation Framework Agreement, a foreign national who was selected by a foreign government, organization, or school, and does not hold a household registration from the time of his/her birth is not subject to the limitations as prescribed in the preceding 2 paragraphs after receiving the approval from the authorized educational government agencies.

4. An individual, who has both foreign and R.O.C. nationalities and has applied for an annulment of one's R.O.C. nationality before Feb. 1st, 2011, the effective date of this amendment, will then be qualified to apply for admission as an international student under the amendment effective before Feb. 1st, 2011 and will not be subject to the limitation as prescribed in Paragraph 2.
5. An applicant of foreign nationality, concurrently holding a permanent residence status in Hong Kong or Macao, having no history of a household registration record in Taiwan, and at the time of application, has resided in Hong Kong, Macao, or another foreign country for no less than 6 years is qualified to apply for admission. However, an individual who plans to apply for School of Medicine, Post-Baccalaureate Medicine or Dentistry must have resided overseas continuously for no less than 8 years.
6. An applicant being a former citizen of Mainland China and holds a foreign nationality, having no history of household registration record in Taiwan, and at the time of application, has resided overseas continuously for no less than 6 years is qualified to apply for admission. However, an individual who plans to apply for School of Medicine, Post-Baccalaureate Medicine or Dentistry must have resided overseas continuously for no less than 8 years.

➤ **Educational Eligibility**
